

U.S. 26 Paving Project

NW Glencoe Road to Mile Post 53

Spring 2017

U.S. 26 improvement work starts soon!

Starting in May, ODOT will make several improvements to U.S. 26 (Sunset Highway) between NW Glencoe Road and Mile Post 53. Key elements of the work include:

- Repaving both directions of U.S. 26
- Repaving some of the NW Wilson River Highway (OR 6) and the NW Dersham Road interchange ramps
- Adding cable median barrier
- Adding rumble strips
- Resurfacing four highway bridges
- Repaving the weigh station

Anticipated Construction Schedule

The majority of the work will take place from May – August, with minor wrap-up work being completed in the fall.

May: Initial work, including bridge work

June – August: Cable barrier installation, repaving and resurfacing

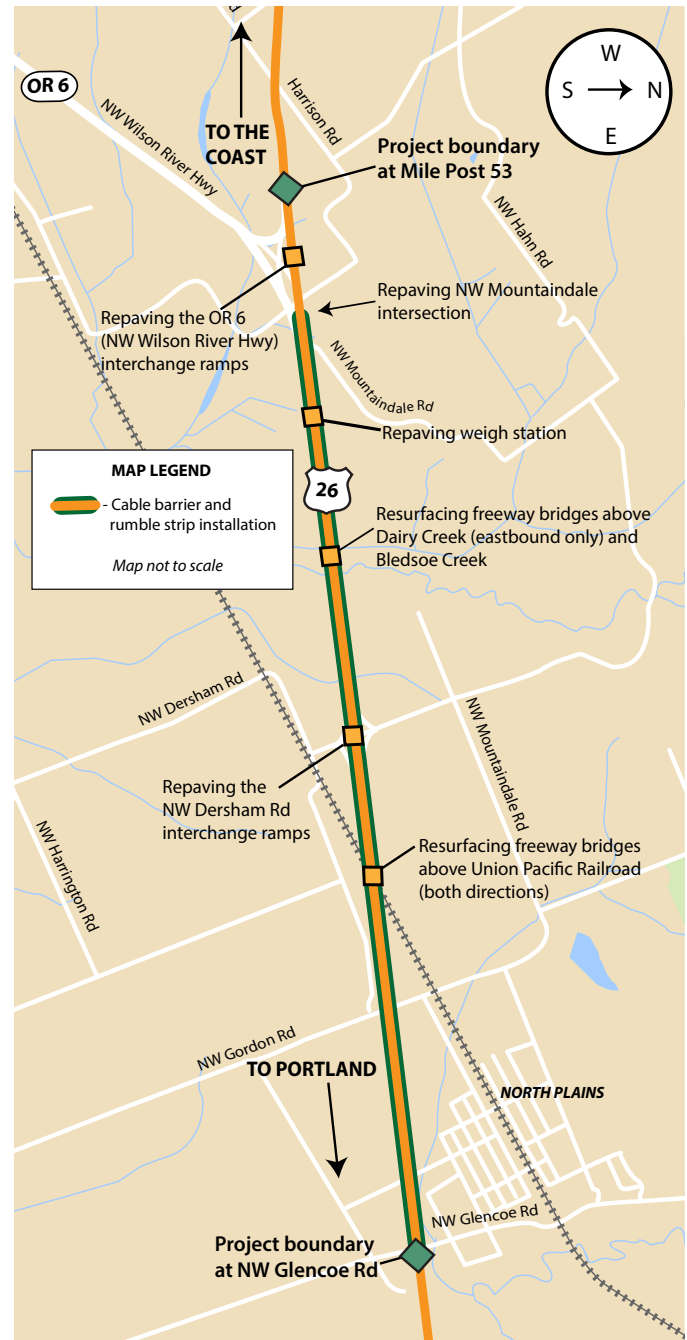

All Lanes Open During the Day

Work will take place during the day and at night. Daytime work will require shoulder closures from 7 a.m. to 7 p.m. Nighttime work will require lane closures and on- and off-ramp detours. Detour information will be available online.

Night Lane and Ramp Closure Hours

- Monday – Thursday: 8 p.m. – 6 a.m.
- Friday: 8 p.m. – 8 a.m.
- Saturday: 9 p.m. – 9 a.m.
- Sunday: 9 p.m. – 6 a.m.

Visit the project website and TripCheck.com for up-to-date traffic information.
