## Volunteers Needed at Summer Fest Information Booth

If you can volunteer for 2 or more hours on Friday, Saturday or Sunday at the Information Booth located on Basketball Court at Jessie Mays the North Plains Events Association would welcome your help. You would be partnered with another volunteer to provide information and sell t-shirts.

## Signs

The City of North Plains sign ordinance limits the placement of temporary signs such as sandwich boards, for sale signs and banners.

As a general rule signs should not be placed in the street right of way, including public sidewalks, and signs are prohibited in residential areas. The City has a permit process for temporary signs in the downtown area.

The City allows the promotion of non-profit and City events on the Glencoe spires and at Commercial and Glencoe intersection. An application for banners can be found at [www.northplains.org](http://www.northplains.org)

Currently staff is evaluating how or if signs should be permitted in the right of way at Commercial and Glencoe in order to promote local businesses. While promotion of local business is important, preventing hazards and clutter in public streets is also an important community goal. The City has been more lenient about the removal of signs for local businesses, versus those for national or out-of-area businesses. A schedule may be proposed to allow limited use of the right of way on weekends and during special events. Comments regarding temporary signs can be sent to [martha@northplains.org](mailto:martha@northplains.org)

If a sign is removed by City staff from the right of way, it is brought to the Public Works storage area at City Hall. Owners have up to 14 days to claim the signs.

## Lost and Found

If you lost an item at a public park or City facility, you can call City Hall 503-647-5555 to see if the property has been turned in. Unclaimed property is donated or sold after 30 days.
